

Entry Information

25 Hours of Thunderhill Raceway

December 5-7, 2008

This document outlines the entry procedures for the 2008 25 Hours of Thunderhill Raceway. There are several steps and deadlines, so it is best to read this document carefully. All deadlines are "postmarked by" or "faxed by."

Entry Fee:

The entry fee is \$1295. The team will submit a \$45 non-refundable fee with the Team Declaration Form. This \$45 will be applied to the entry fee, and the balance of \$1250 is due November 1st, 2008. The entry fee includes the car and up to four drivers. The submission of the Team Declaration Form, along with payment, will determine the "order of entry."

Additional Drivers:

Each additional (over four) driver is \$175. Drivers may be added or subtracted at anytime up to the close of registration, which is 9am Saturday, December 6, 2008.

Crewmembers:

Each crewmember must obtain and wear one crew credential during the event, when in the pit lane. If a crewmember is on more than one team, they only need to purchase one crew credential. Crew credentials are \$25.

Late Fee:

Entries after November 1st or entries not fully paid (at least \$1295 total) will incur a \$200 late fee.

Refunds:

All fees are fully refundable, except the \$45 team declaration fee and any crew credentials, providing that the car did not go on course any time after 4:45 pm December 5, 2008. Request for refund must be made via email or phone to the NASA office by December 12th, 2008. No refunds after December 12th, 2008.
